If Mr Ramachandrales is appointed General Manager his pay may be fixed at B800. When Mr Venkatnarayanappa was General Manager Mr Viswanath was "Works Manager" on B450-1200. When the latter was appointed as General Manager, the place of Works Manager was not filled up. I moved Mr Viswanath to remain at Bharavati as a General Supdt of the factory - i.e. of production & Engineering, including the Steel plant -, the General Manager having a general supervision over the factory & more direct charge of raw materials, sales, accounts & correspondence. (The sales may later have to be separated and established at Bangalore). Mr Viswanath's pay may be B700.

NOTE—Contn. Sheet.

WD 70—GBPM—60,000—13-8-31

Submitted to His Highness.

Consequent on the transfer of Mr. M. Venkatanaranappa from the Bhadravati Iron Works, Mr. B. Visvanath, Works Manager, was appointed to act as General Manager and the arrangement has continued since 15th November 1933. As it is now necessary to make more permanent arrangements for the management of the Iron Works, I consider that Mr. M.S. Ramachandra Rao, B.A., Assistant Commissioner who is at present the General Manager of the Sri Krishnarajendra Mills at Mysore may be posted to the Iron Works as General Manager on the assumption of the management of the Sri Krishnarajendra Mills by Mr. D. N. Sirur. Mr. M.S. Ramachandra Rao's pay as General Manager of the Bhadravati Iron Works will be fixed at Rs.850/- per mensem, and he will exercise general supervision over the factory and be in direct charge of raw materials, sales, accounts and correspondence with the Board and Government.

Mr. B. Visvanath will be continued in the Iron Works and will, subject to the general control of the General Manager, be placed in charge of the production and engineering departments including the steel plant. He will be designated "General Superintendent."

As Works Manager, he was drawing Rs.450/- plus Rs.200/- per mensem and his pay in the new office will now be fixed at Rs.700/- per mensem. The Financial Secretary is of opinion that Mr. Visvanath should draw the same salary as he was drawing as Works Manager. His responsibilities will be greater as General Superintendent and it is therefore necessary to fix his emoluments at Rs.700/- per mensem.

The Members of Council are agreeable to the proposals.

I solicit the gracious approval of His Highness to the above proposals.
